# SITUATION SUMMARY

## Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

### Cal OES T-Comm

- As of 02/17/16 at 0938 hours, Cal OES T-Comm Mobile Interoperability Gateway Unit (MIGU) 3 has been activated and assigned to a training mission in Redding, Shasta County.

### Mission 2016-SREOC-21508, Warming Center, Santa Maria, Santa Barbara County

- 02/16/16 at 1956 hours the California State Warning Center (CSWC) was notified by the Southern Duty Officer (SDO) of a request for a Warming Center in Santa Barbara County. The SDO created a mission in CAL EOC and was approved by the Executive Duty Officer (EDO) via the CSWC at 2146 hours.

### Earthquakes, Wilkerson, Inyo County

- On 02/16/16 at 1504 hours a verified 4.8 magnitude (M) earthquake (EQ) occurred near Wilkerson, Inyo County.
- Inyo, Fresno, Madera, and Tulare County Warning Points (WPs) reported that the EQ was felt. There were no reports of damage or injuries.
- At 1545 hours a second EQ verified at 4.3M, occurred near Wilkerson, Inyo County. EQ was not felt by the Inyo WP and there are no reports of damage or injury.
- The Cal OES Earthquake and Tsunami Duty Officer (EQTP) placed a call to the California Geologic Survey (CGS) who advised, it's not unusual to have activity in this area. The EQs appear to be following a normal pattern of a main quake (4.8) with a series of aftershocks at levels below the initial magnitude.
- EQTP DO will continue to monitor the situation.

# **SITUATION SUMMARY**

## **Weather of Concern**

### **Northern California**

- Wet conditions will return today as a cold front approaches the area. A period of moderate to heavy rain is expected this afternoon, followed by showers with slight chances for thunderstorms and small hail tonight.
- Mountain snow is likely tonight into Thursday. Some areas will also see gusty south winds. Showers will continue through Thursday into Thursday night to be followed by another round of rain as a second cold front moves through the area on Friday.

### **Southern California**

- A pacific storm system will bring a chance of rain as early as this afternoon, with rain becoming more likely across the forecast area tonight into early Thursday.
- South winds are also expected to increase across the region today in advance of the cold front, with gusts up to 50 mph in the mountains.

### **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

#### **Medford Weather:**

Wet and windy system moves in today. Winds increase by late morning in the Shasta Valley this will bring high wind warning winds to mostly the southern half of the Shasta Valley with advisory winds in the remainder of the Shasta Valley

#### **Eureka Weather:**

A return of cool, wet, and wintry weather is expected this afternoon through Friday. Rain, gusty winds, and mountain snow above 3000 feet can be expected.

#### **Reno Weather:**

A significant change is expected today into Thursday as a winter storm moves into the region. This will bring gusty winds Wednesday followed by snow and rain this evening through Thursday. Another weak system is possible Friday night, before the ridge rebuilds over the west with warming temperatures into early next week.

#### **Sacramento Weather:**

Pacific frontal system moves through today and Thursday bringing rain and mountain snow. Heaviest precipitation tonight and Thursday morning. Windy conditions this afternoon and evening. Snow levels dropping over night with mountain travel issues through Thursday. A weaker system moves through Friday.

#### **San Francisco Weather:**

A frontal system will bring light amounts of rain to the area this afternoon and evening. Strong southerly winds are expected to develop during the day Wednesday. Showers are expected into Thursday morning as an upper level trough moves through the area. A weak weather system will bring a chance of light rain to the northern part of the district Friday. A gradual warming trend and dry weather is then expected for the upcoming weekend and into the first part of next week.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY:**

#### **Hanford Weather:**

A storm system will impact Central California today and Thursday bringing mountain snow, valley rain, and cooler temperatures. Dry weather returns Friday and continues through the weekend.

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

Clouds will increase today and rain will develop during the afternoon or evening. Southerly winds will reach advisory levels across the higher elevations. Max temps will be 15 to 20 degrees cooler than yesterday. Showers will linger Thursday morning but then it will be mostly clear and dry into early next week. Well above normal temperatures will return Sunday and persist into early next week.

#### **Extreme Southwestern California including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

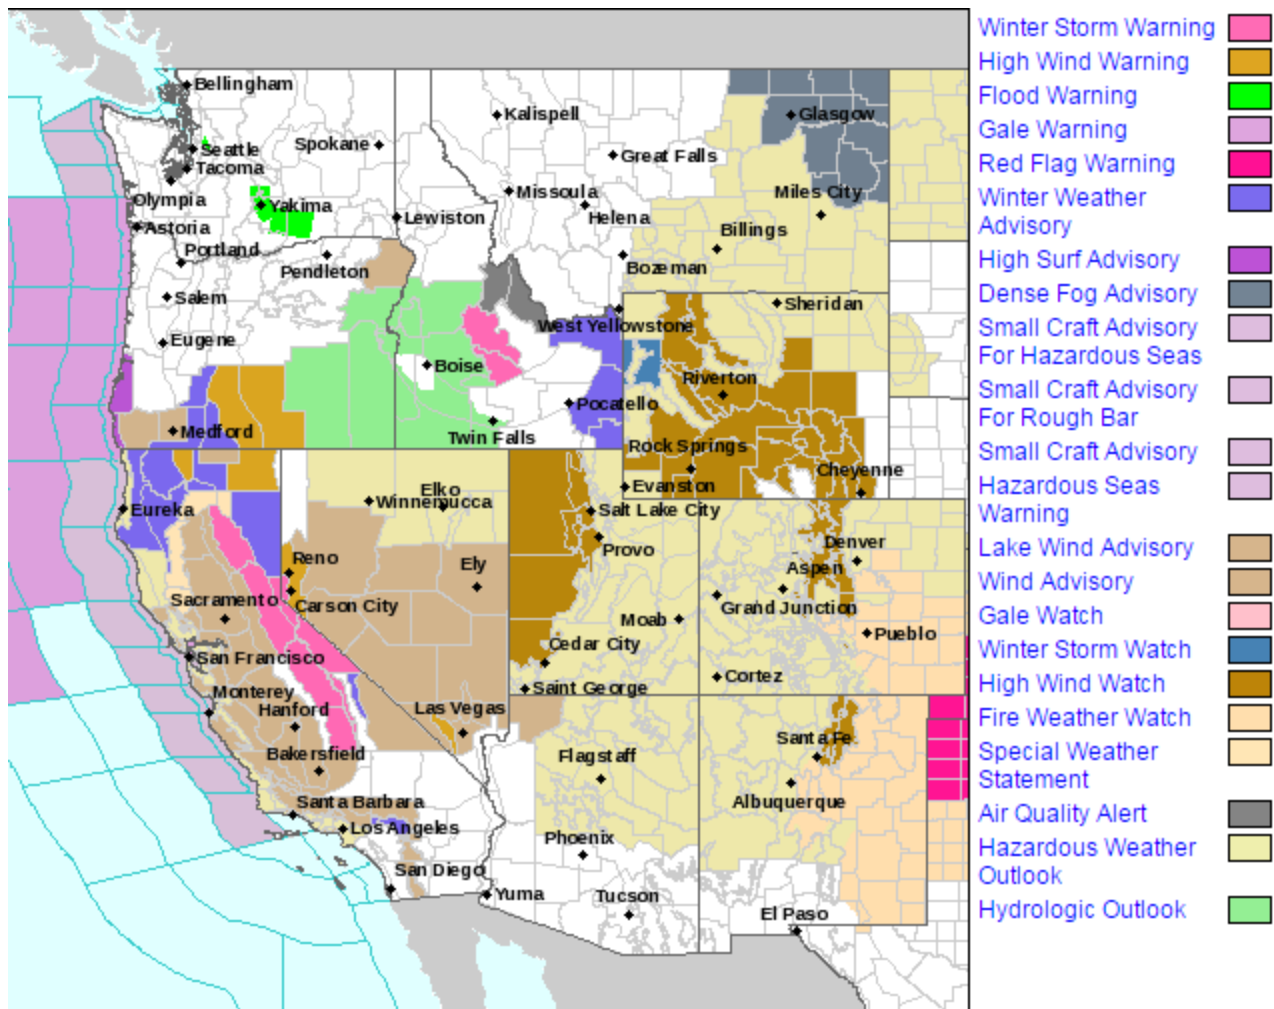

A cold front will move inland across Southern California on Thursday. Out ahead of the front today, Southerly winds will increase and become strong and gusty over the mountains and deserts. It will be noticeably cooler today and Thursday as clouds will be on the increase. Showers are likely in orange county and the northern valleys and mountains by late tonight spreading South on Thursday and diminishing by afternoon. It will continue to be cool through Friday then warmer again over the weekend. For next Monday and Tuesday much warmer with gusty northeast winds near the coastal foothills and valley slopes.

#### **Southeast California Weather:**

Very strong upper level high pressure will bring much above normal temperatures to the region on Wednesday with many lower deserts approaching or even exceeding 90 degrees. Some minor relief will arrive Thursday and Friday as a low pressure system moves into the Western States and afternoon temperatures cool. However, temperatures are again expected to warm well back up into the upper 80s this weekend and early next week as strong high pressure rebuilds over the desert Southwest.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC is activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued Executive Order B-26-14 on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought, specifically through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- The Governor issued Executive Order B-29-15 on 04/01/15 which announced actions that will save water, increase enforcement to prevent wasteful water use, streamline the state's drought response and invest in new technologies to make California more drought resilient.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate the Community Impacts Workgroup conference calls. Currently, the calls take place on the first Wednesday of each month.
- Cal OES Recovery/Individual Assistance finalized an updated 2015 version of the drought brochure of programs and services for individuals, businesses, farmers, and ranchers. It has been put on the Governor's Drought webpage. State agencies may put the following link to the brochure on their webpage <http://ca.gov/drought/pdf/Drought-Assistance-Brochure-2015.pdf>
- Cal OES Regions (Inland, Coastal, Southern) collective OA drought call is facilitated by the SOC and will be held once per month.

# **CAL OES 2014 DROUGHT**

## **Cal EOC Incident – 2014 Drought**

### **Local Emergency Proclamations:**

**A total of 62 local Emergency Proclamations have been received to date from city, county, and tribal governments, as well as special districts:**

- 28 Counties: Butte, Colusa, Calaveras, El Dorado, Fresno, Glenn, Inyo, Kern, Kings, Lake, Madera, Mariposa, Merced, Modoc, Plumas, San Bernardino, San Joaquin, San Luis Obispo, Santa Barbara, Shasta, Siskiyou, Sonoma, Stanislaus, Sutter, Trinity, Tulare, Tuolumne, and Yuba.
- 13 Cities: City of Live Oak (Sutter County), City of Lodi (San Joaquin County), City of Manteca (San Joaquin County), City of Montague (Siskiyou County), City of Porterville (Tulare County), City of Portola (Plumas County), City of Ripon (San Joaquin County), City of San Juan Bautista (San Benito County), City of Santa Barbara (Santa Barbara County), City of Rancho Cucamonga (San Bernardino County) and City of West Sacramento (Yolo County), City of Willits (Mendocino County), and City of Fort Bragg (Mendocino County).

# CAL OES MISSIONS

## New Cal OES Missions:

**2016-LAW-21496 2/16/16, 1709 hours**, Monterey County Sheriff's Office is requesting a Law Mission Number for a search of a structure that burned in the City of Salinas last weekend. The search will take place on Wednesday, 02/17/16. Monterey SO is making this request on behalf of Salinas Fire and have already secured a K9 from Monterey Bay Search Dogs. **Update: 2/16/16, 1850 hours** Monterey SO advised the K9 previously secured is not available; they would also like a second K9 Team for Wednesday at 0900 at Salinas Fire, 300 Main St., Salinas. Cal OES LEB coordinating the request for 2 HRD K9's. Salinas Fire personnel have deemed it safe for the K9's and will have crews on site during the search to continuously evaluate conditions for the K9 Team. **MISSION ONGOING.**

## Closed Cal OES Missions:

**2016-LAW-21488 2/16/16, 1129 hours**, Marin SO SAR, working with the City of Alameda and Park Rangers on a search in the Lands End area of San Francisco for a missing subject. The MP, a 73 year old male from Alameda has been missing since 02/09/16. The family discovered a photo of him on Social Media on Sunday, 02/14/16 which was taken at Lands End the day he was reported missing. Marin SO coordinated with a local Trailing K9 and handler out of Petaluma. **Update: 1220 hours** Marin SO requesting 20 ground searchers (Type II/III) for an immediate response. Alameda SO, Contra Costa SO, and San Mateo SO sent personnel. Resources will respond to the CP at Lands End, 48th and El Camino del Mar. **Update: 1924 hours**, Per Marin SO, aside from the K9's alerting in one location, no additional clues were located despite search area's being well covered. Today's efforts included more than 50 searchers, 2 water craft, and 3 K9 Teams. A joint decision was made to suspend search efforts. **MISSION CLOSED.**

**2016-LAW-21292, 2/14 @ 1820 hours (REOPENED)** Solano County Sheriff's Office (SCSO) requesting mission be reopened to check additional locations on Monday, 2/15; this is a search for a male missing since 1/23, presumed drowned in an alleged fishing accident. A single HRD K9 Team has been secured from Siskiyou County. **Update: 2/15, 1914 hours** call from SCSO advising the mutual aid K9 team arrived and searched today; They will remain overnight and search again Tuesday. Absent any actionable intelligence / additional clues identifying a possible location for the MP, they will be scaling back to a limited but on going search. Private side scan sonar assets are still on site and will work again tomorrow in conjunction with the SAR Mutual Aid. **Update: 2/16/16, 1915 hours**, per Solano S.O., all searching has been completed and all mutual aid has been released and returned to their home stations. **MISSION CLOSED.**

# California Specialized Training Institute

## CSTI Scheduled Training

**Emergency Planning (G235):** This course focuses on emergency operation plans, the format and process to develop plans and evaluate the plan's effectiveness. Content includes the Comprehensive Planning Guide (CPG 101) and THIRA (CPG 201)

In this course, participants will learn the tools and techniques to develop or enhance an all-hazard emergency operations plan (EOP).

**Course Length: 16 hours**

**Contact us for more information. (805) 549-3535**

[CSTI on the web](#)

**CSTI Campus**  
**Camp San Luis Obispo**  
Phone: (805) 549-3535  
Fax: (805)-549-3555

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
